RECOGNIZING THE 120TH ANNIVERSARY OF THE PECARD LEATHER CARE COMPANY

**HON. MIKE GALLAGHER**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 24, 2022*

Mr. GALLAGHER. Madam Speaker, I rise today in recognition of the Pecard Leather Care Company as they celebrate their 120th anniversary.

The company came from humble beginnings when Phil Pecard, resident of Lena, WI, began to experiment with formulas to protect, restore, and seal leather goods in 1902. Mr. Pecard's mission was to provide the lumbermen of Wisconsin with the resources they needed to protect their expensive leather boots in the cold and wet environment that was the north woods.

The business continued to grow and shortly after World War Two, Mr. Pecard constructed a small factory in the Green Bay area and later sold his business to a local businessman, Arthur Wadzinski. Over the next 20 years, the business continued to grow as original formulas were refined and legally patented. The company was formally incorporated in 1964 and a new manufacturing plant was built in 1975 to accommodate their rapid growth and overwhelming success. I commend the Pecard Leather Care Company for its service and dedication to the craft.

120 years later, it is more than fitting to take time to recognize the company's pledge in continuing the authentic craftsmanship and high-quality traditions that began with Mr. Pecard. A small idea that began in Lena, WI, has grown to serve customers worldwide for over a century. I applaud the Pecard Leather Care Company for its exceptional work, continued growth, and success for the past 120 years.

I invite all Members of this body to join me in celebrating the 120th anniversary of Pecard Leather Care Company. I extend my sincerest congratulations to the Pecard Leather team on this remarkable milestone and wish them success for many more years to follow.

RECOGNIZING THE ORIANNE & PHIL COLLINS' LITTLE DREAMS FOUNDATION

**HON. CARLOS A. GIMENEZ**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 24, 2022*

Mr. GIMENEZ. Madam Speaker, I rise today to recognize The Orianne & Phil Collins' Little

Dreams Foundation (LDF). The LDF was founded in 2000 and has been headquartered in Miami since 2013. The foundation's goals are to provide training and advice for aspiring young artists, athletes, and musicians by pairing them with a mentor who is a professional in their respective area.

Being able to extract creative talent out of students in Miami is important to Lourdes and I. Studies show that when students are introduced to music and the arts at a young age, it helps improve cognitive ability particularly in the math and sciences. In a world that is rapidly evolving and growing technologically, it is crucial that students at a young age have the ability to compete on a global stage in STEM courses. Organizations like The Orianne & Phil Collins' Little Dreams Foundation are crucial for giving students skills that they may not necessarily learn inside the classroom.

Now more than ever are LDF's contributions and mission critical to the surrounding community. I congratulate The Orianne & Phil Collins' Little Dreams Foundation. I look forward to their continued success and prosperity in the future.

IN HONOR OF KRISTI SHREVE

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 24, 2022*

Ms. SPEIER. Madam Speaker, I rise today to recognize Kristi Shreve who is receiving the 2020 Hillsborough Schools' Community Care Award. Every year, the Associated Parents' Group of Hillsborough selects a non-resident employee who has made sustained, significant and lasting contributions that have touched the lives of our children and benefited the community as a whole.

Mrs. Shreve is an outstanding educator who has dedicated her life to teaching and uplifting the next generation. She began teaching in Hillsborough 24 years ago as a teacher at South Preschool. She became a student-teacher at South School and was hired by Hillsborough School District in 2002 as a 2nd-grade teacher at South. A year later, she transferred to West School where she has been a 1st through 3rd-grade teacher ever since. Mrs. Shreve is a member of the Leadership Team at West, a Data Advisor, a New Teacher Mentor, a Teacher in Charge, a Technology Mentor, an HTA Site Representative, HTA Negotiator, and HTA President, among the many leadership roles she is holding. Her work ethic and compassion have earned her the respect and adoration of her colleagues, students and their parents.

An essential quality of an outstanding teacher is the ability to meet students where they are. Mrs. Shreve gets to know each student and his or her unique needs. She becomes a true advocate and will always go the extra mile. With parents, she forms partnerships that are characterized by flawless communication, strong and trusting relationships, and joint advocacy for the students. These relationships live on beyond their time at the school.

Mrs. Shreve led the first Tyler Yamagishi Walk-a-Thon at West School raising money for the Tyler Yamagishi Scholarship Fund and the Riekes Center in Menlo Park. Tyler Yamagishi was a West student who succumbed to

osteosarcoma at the young age of 14. The Riekes Center is a non-profit community space that offers character-building programs in art, music, nature awareness, sports training, and other life skill areas. Mrs. Shreve also worked with the Hillsborough Beautification Committee and the West Parent Group on the memorial tree project in Tyler's memory. Another project that showcased her inexhaustible empathy was the "Love Notes for Montecito." All students at West made valentines for students and staff at Montecito Union Elementary School in Santa Barbara County after devastating fires and mud slides in 2018.

When not at school, Mrs. Shreve loves to spend time with her husband, John, their own children, Alyssa and Brendan, and their two cats, Snowy and Cookies. They reside in Daly City.

Madam Speaker, I ask my colleagues to join me in commending Kristi Shreve for being an exemplary teacher, one of the most influential and noble vocations in shaping our common future. She is a role model and an inspiration to us all.

Mr. SMITH of Washington. Madam Speaker, on Tuesday, March 8, 2022, I missed a vote on H. Con. Res. 70. I would have voted "YES" on roll call vote No. 61 (on the motion to suspend the rules and agree to H. Con. Res. 70, as amended).

TRIBUTE TO CHIEF MELANIE MONTROLL, ORLEANS PARISH HARBOR POLICE

**HON. TROY A. CARTER**

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 24, 2022*

Mr. CARTER of Louisiana. Madam Speaker, "Law enforcement is my existence; I have strived to make this world a better place for all of us. Service to humankind is the only way to show appreciation for being chosen by God to live this life."

Those words are Chief Montroll's mantra every day. Born the youngest child to a doting police officer father and a loving mother who worked in accounting, her parents knew at a very early age that she would live a transformative life.

Chief Montroll was born on New Orleans' Eastbank and was a rambunctious youth filled with vigor and determination. She was always known to be the life of the classroom, filled with jokes and playfulness. Academics came easy to her also. Chief Montroll is a graduate of Oliver Perry Walker High School in New Orleans' Algiers area and graduated with a 4.0 average. After her high school graduation, she attended community college and concurrently made the decision to follow in the footsteps of her father and become a police officer. After graduating from the Harbor Police Academy, Melanie was full steam ahead in her career serving the community.
